V International Economic Forum

«THE CRISIS AS AN INCENTIVE FOR CHANGE: HUMAN BEING. NATURE. ENTREPRENEURSHIP»

June 30, 2022

Venue: Latvian Academy for Sciences, Academy Square 1, Riga, Latvia

*The aim of the V Economic Forum is to analyse the crisis, which Latvia and the entire Europe faced during the globalization of the 21st century as an opportunity for qualitative changes in humans, nature and entrepreneurship, as well as discuss possible science-based and practical solutions in order to reach a higher level of welfare in our countries. The successful practice of the I, II, III and IV Economic Forum is continuing, that the Forum serves as a **platform for the exchange of experience and cooperation of scientists, entrepreneurs and politicians**, stimulating the entry of local and foreign investment and the development of an innovative economy in the long term.*
